

Characteristics of Discrimination and Harassment

Characteristics of Discrimination

Discrimination is treating people differently because of who they are, where they come from, or the groups they belong to. Discrimination in a VISTA service setting is **illegal** when it targets a person or group based on such **non-merit factors** as race, gender or religion, also known as **protected classes**, which the Corporation for National and Community Service defines as the following:

- Race, color, or national origin
- Sex/gender
- Disability (physical or mental)
- Age
- Religion
- Political affiliation
- Sexual orientation

Illegal discrimination:

- BOTH targets a person or group because of a difference AND singles them out for different treatment
- May be a one-time occurrence or part of an ongoing pattern
- Can happen to anyone

Characteristics of Harassment

Harassment is verbal and/or non-verbal communication relating to an individual's gender, age, race, ethnicity, religion, or any other **non-merit basis**. Behavior is harassment when it is **severe and pervasive** and interferes with a VISTA's performance, creating an intimidating, hostile or offensive service environment. Harassment includes but is not limited to

- Explicit or implicit demands for sexual favors
- Pressure for one's company
- Unwelcome persistent letters, phone calls, emails or other media
- Distribution or display of offensive material
- Offensive looks, gestures; physical encroachment, or threatening behavior

Illegal harassment:

- Includes – but is not limited to – sexual harassment
- Can be spoken words or unspoken actions
- Is more than just annoying or uncomfortable behavior
- Generally happens over a period of time
- Creates a hostile, intimidating, or offensive service environment
- Prevents a VISTA from serving effectively
- Can happen to anyone
